

April Monthly Round Up

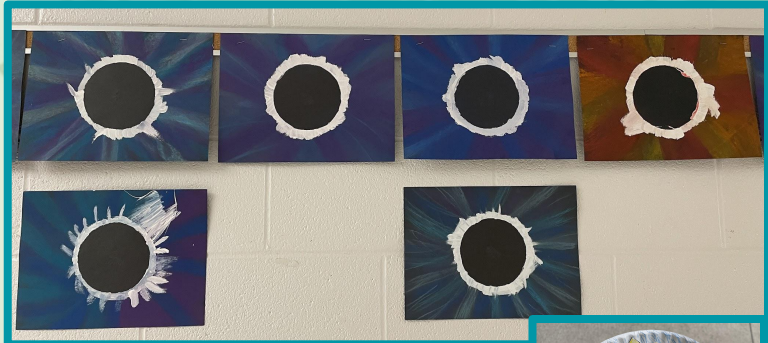

What happened at St. Andre Bessette in April?

In April we celebrated Earth Month. We also had many in school activities like Primary Music and Junior Dance. We also congratulate our Gr. 2 students who had their First Communion.

April is Earth Month. Thank you to Mrs. Priolo's class for putting our front display together.

April 2nd was Autism Awareness Day, we wore blue to show our support.

April 8th we welcomed the eclipse. Various classes learned about it and did different activities.

A big congratulations to all the players - Chris A., Oduwa, Sami A., Argie, Jahkwan T., Jonathan M., Danny, Isaiah V., Nathan O., Nicholas D. and our coaches - Mr. Ramdin and Mr. Cioffi.

Congratulations to our Intermediate Boys Basketball Team for winning the Brampton Northeast Family of Schools Championship this month. The boys worked hard for several months, and it paid off. After battling their way to the final, they were able to run away with the title with a dominant 33-22 victory over St. Leonard's in the final. St. Andre Bessette is now the first team in Brampton Northeast to win back-to-back titles in Intermediate Boys Basketball in over 10 years!

The team also played hard and represented our school with pride at the Board Championship tournament at Philip Pocock Secondary School but were narrowly defeated.

Congratulations to our Gr. 2 students on receiving the First Holy Communion!

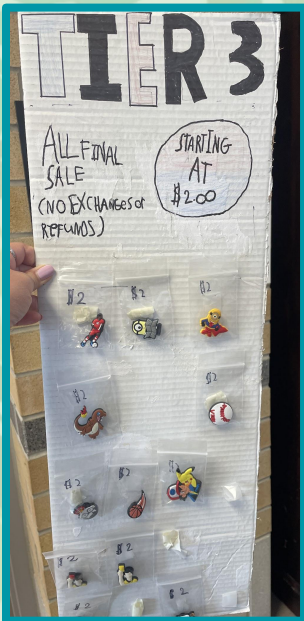

**GO
LEAFS
GO!**

Junior students participating in dance classes hosted by Dance n' Culture.

Students in grades 1/2 and SK/1 took part in an informative presentation graciously offered by the City of Brampton. They learned about animal classifications, some of the animals found in our community and ways to be safe around them. There were fur samples and many other things for the students to explore.

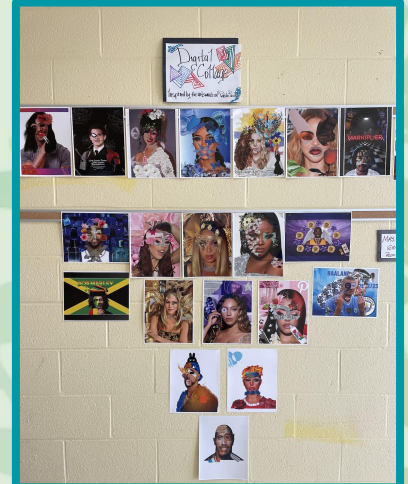

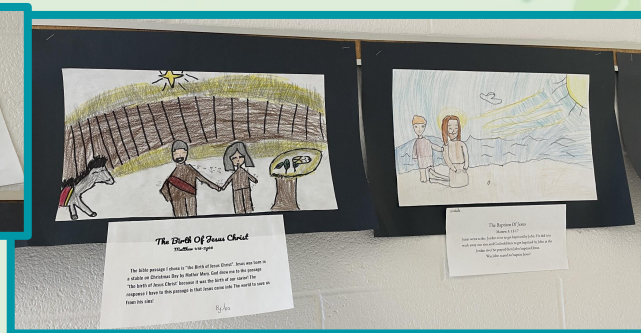

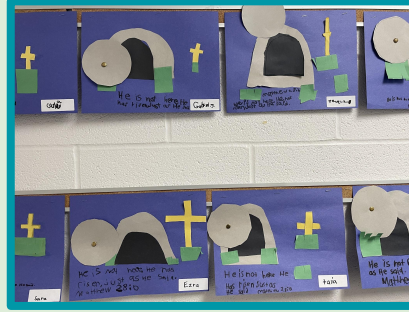

Learning Around the School!

Mr. Ramdin's class had a real life experience with financial literacy. They had a market and proceeds went towards a field trip for the class.

Library fun with Mrs. Domanico!

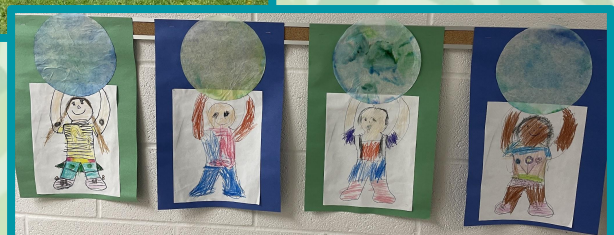

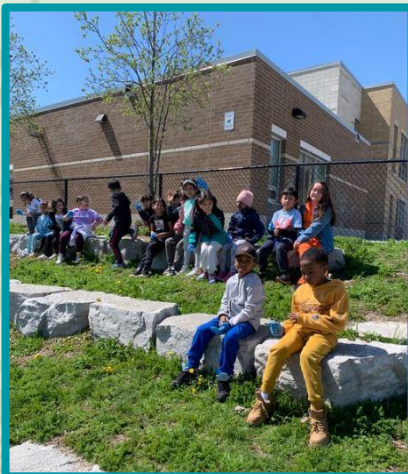

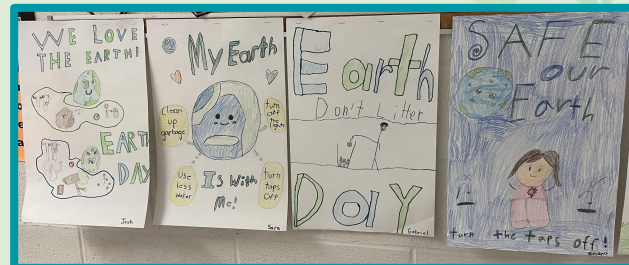

EARTH WEEK

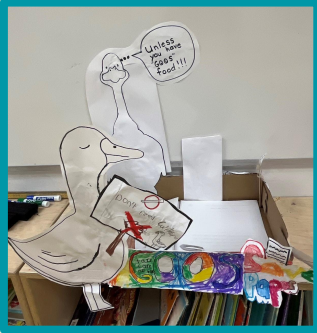

Spirit Week

Our YFLs organized a spirit week celebrating our Earth! Classes engaged yard clean ups, nature walks and various Earth friendly activities.

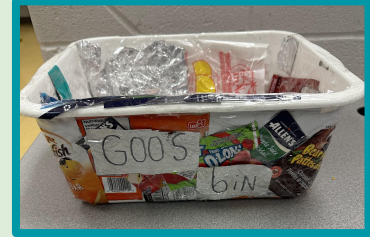

St. Andre Bessette Eco Code 2024

Be sure to sort our garbage correctly
Encourage others to use less plastic
Save water by turning off the taps
Scooter, bike or walk to school
Everyone can help this Earth
Turn off the lights when not in use
Think... Can I recycle this?
Earth is our home to protect and care for

GOOS Bin Contest
A number of classes participated in a GOOS bin decorating contest. Winners are featured in yellow above. Other entries are featured below. GOOS bins promote the use of both sides of paper and reduce our paper consumption.

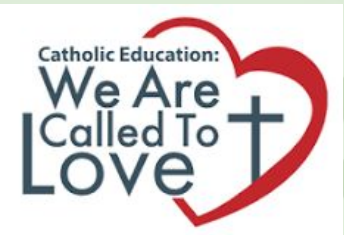

Upcoming Events/Activities

The book fair is coming! It will be open May 6-10

Catholic Education Week will be the Week of May 6th. We will have a doors open event and families are invited to come to their child's classroom. Please see weekly for more details.

Our school fundraiser is still open. You can pay by cash or online through <https://www.dfscanada.com/shop-now/>. More details in our weekly. Lots of prizes to be won!

Athletic's Update:

Intermediate soccer tryouts will begin shortly for both the boys and girls teams. Please listen to announcements for further details. Our school Track and Field Day is tentatively scheduled for Tuesday, May 14th at our school. Every student from grades 6-8 will participate and try most events. Please pay attention to the weather leading up to that date and dress accordingly.
