

# September Monthly Round Up

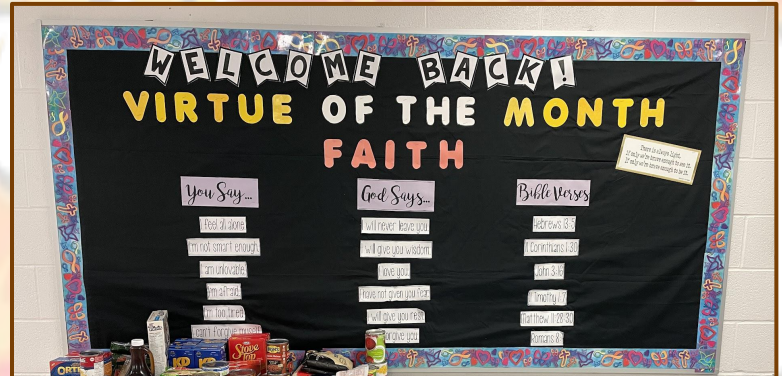

## What happened at St. André Bessette in September?

September 2024

### Welcome! Welcome!

This September we welcomed back our returning families and said 'hello' to a number of new ones! We added enough new families to grow our school staff. We welcome the following new faces to our St. Andre Bessette Family:

J. Page (Principal)  
M. Subic (Planning Time)  
T. Edwards (Planning Time)  
C. Ionadi (Teacher)  
C. Tipou (Teacher)  
A. Cullen (ERW)  
A. Paglia (ERW)  
S. Del Col (Teacher)

### FAITH

A faithful person...

- Prays regularly and reverently
- Learns from Scripture stories
- Assumes that there is good in everyone
- Accepts the God-given worth of themselves and others

Thank you to Ms. Gatti and her students for organizing the Thanksgiving Food Drive. We will be collecting food until the first week of October. All food will be given to a local community pantry.

Mrs. Carr took four of our intermediate student leaders to the Mental Health and Wellness Conference. They learned many things that they will share with their peers.

September is about learning our new classroom routines and rules, getting to know each other and learning about collaboration. At this time of year, many teachers focus on teaching students about having a growth mindset. This is learning that our brains are still growing and making mistakes is OK and part of the learning process. We're off to a great start!

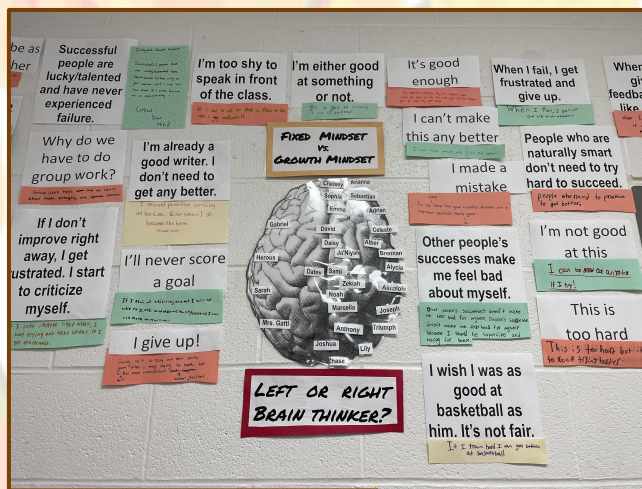

Our ERW team has a social group with some students every Friday and this past month, they made cupcakes.

Mrs. Costantino's class is building their reading stamina.

Students have spent quite a bit of time learning about each other, as well as reviewing the skills of collaboration, and positive/growth mindset!  
- Ms. Bologneses Class, Room 113

Mrs. Gatti's class learned about having a growth mindset and discovering what type of thinker they are.

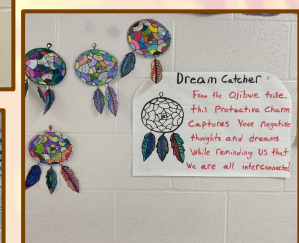

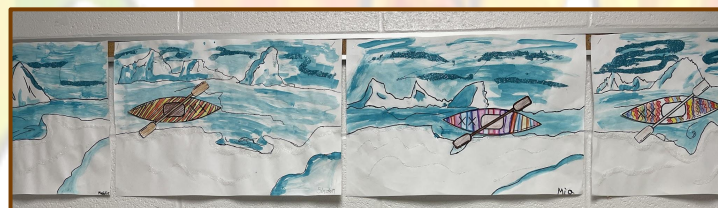

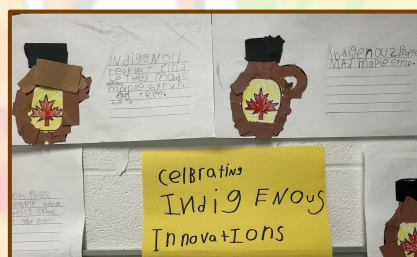

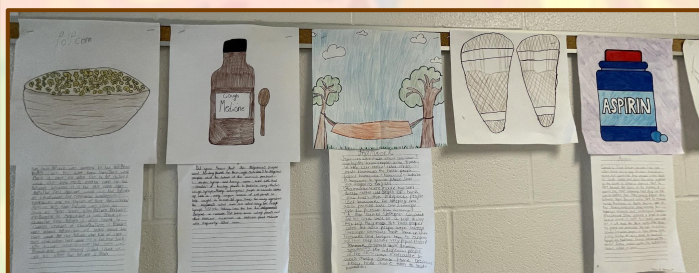

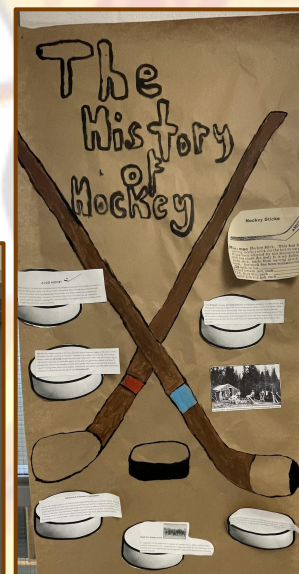

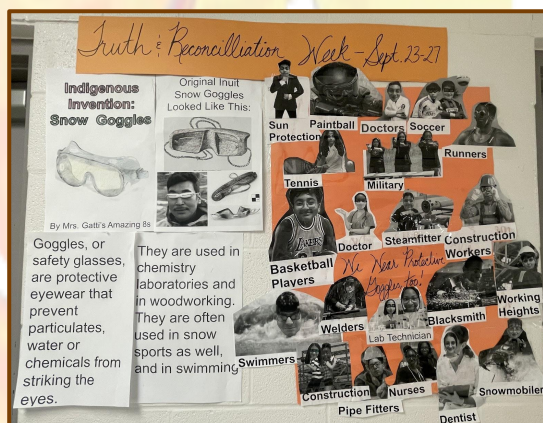

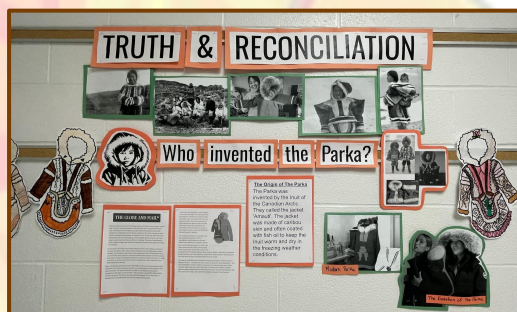

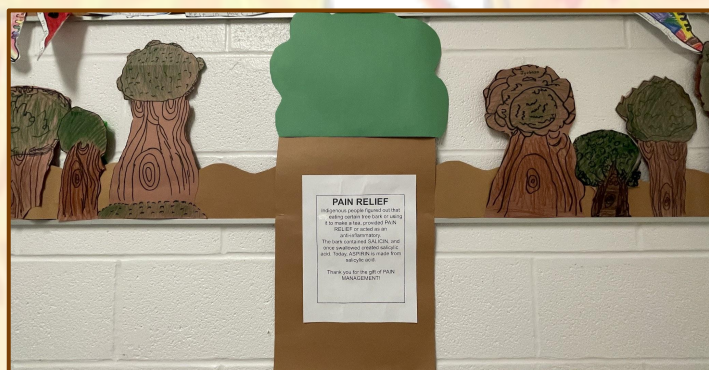

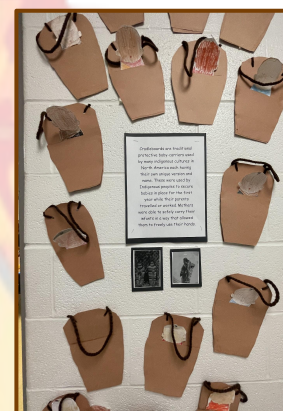

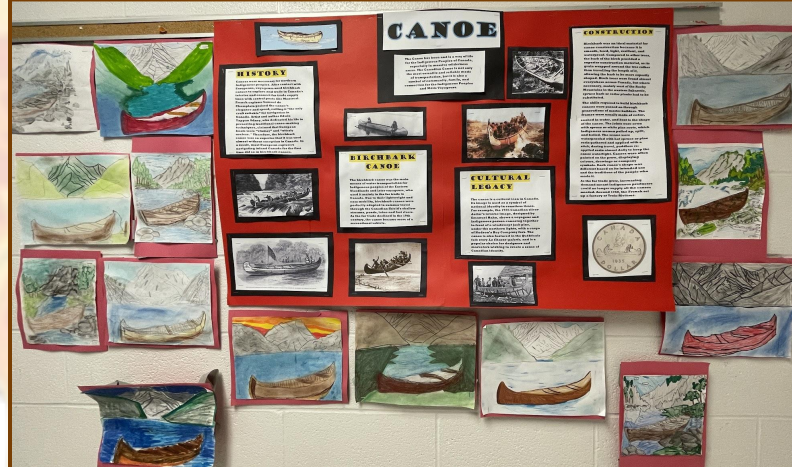

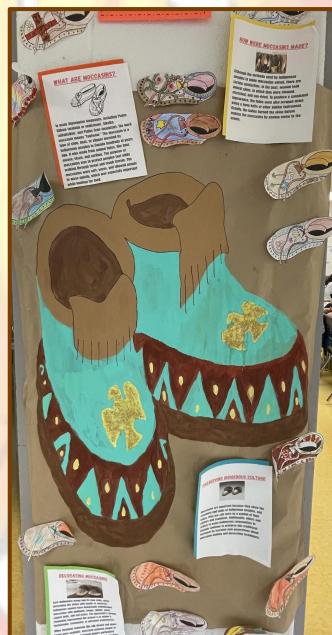

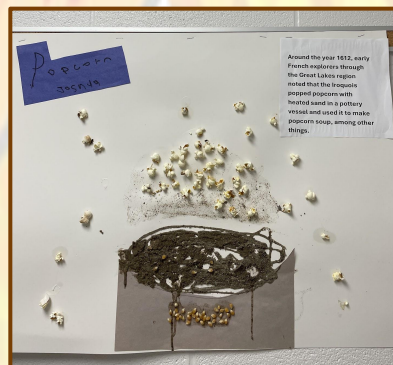

Creating artwork about ourselves so we can learn about each other.

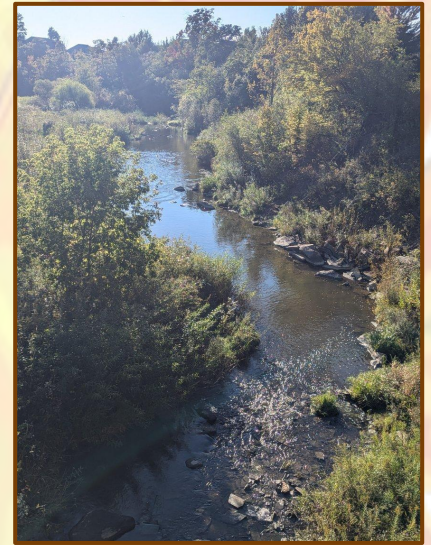

# Truth & Reconciliation Week - Week of September 23

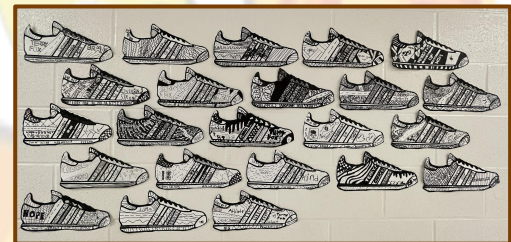

We are learning to understand the significant contributions of Indigenous peoples to technology, culture, and society by exploring their inventions, innovations and sustainable practices and recognize the influence of these contributions on modern life.

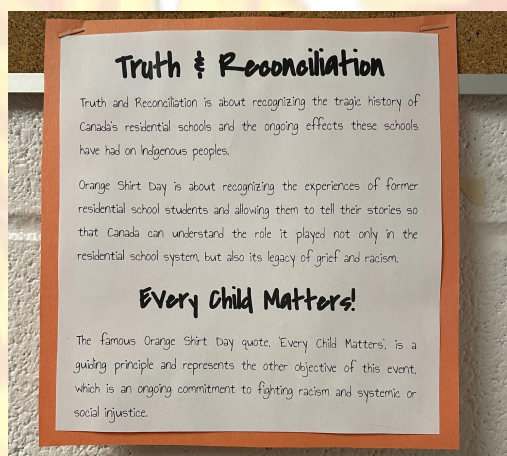

We were blessed with beautiful weather for our Terry Fox Walk/Roll. Our school was able to raise almost \$300 for the Terry Fox Foundation. Thank you for your donations!

## Orange Shirt Day - September 30

### St. Patrick's Parish
